

TECHNICAL SHEET “DON’T THROW DUCKS IN THE RIVER”

PERFORMANCE SPACE

Site-specific. A street or small itinerary through places with urban furniture, shops, balconies, street signs, sculptures...

With a space to finish the show.

Final space: A flat area of 8m (wide) x 6m (deep) x 4m (high)

LIGHTING

Sufficiently lit area, no special lighting required.

TIME

Setup: 3h (1h for space scouting + 2h for setup)

Take-down: 1.5h

DRESSING ROOM (PLACE TO CHANGE)

A place to change close to the performance area

- 3 chairs
- Mirrors
- Running water
- Hot shower
- Toilet
- Mineral water (plastic-free)

IMPORTANT:

Water is required at the space where the scenography will be set up, to fill the jars on the cart.

VAN

A parking spot for the van less than a 1-minute walk from the changing area
